To the Marketing Directors of IVD Companies

Dear Sir,

We have the pleasure to inform you that MZ Congressi has been appointed to manage and organize **EUROMEDLAB Milano 2013**, the 20th IFCC-EFCC European Congress of Clinical Chemistry and Laboratory Medicine that will be held in Milano (Italy) on May 19-23, 2013 at Convention Center MIC plus.

The **EUROMEDLAB Milano 2013** Organising Committee has decided to maintain the same registration fees and the categories of promotional involvement of the Berlin Congress, with **Platinum, Gold, Silver and Bronze Sponsors** in addition to standard exhibitors and sponsors. A significant advantage granted to Platinum, Gold, Silver and Bronze Sponsors will be the priority in the selection of exhibition space, sponsored events, and educational workshops scheduling. Other opportunities are:

- more efficient planning of costs: you will purchase a sponsoring "package" that already comprises the main promotional activities related to the Congress;
- publication of the company logo in the second or third cover-page of all promotional brochures of the Congress and on the Congress web site.

The tables in Appendix describe the content of each sponsorship package.

20th IFCC-EFCC European Congress of Clinical Chemistry and Laboratory Medicine

www.milan2013.org

In planning the Congress programme, the Organising Committee intends to increase the scientific contribution of the participating companies through the organization of industry workshops. For this reason, it has been decided that these sessions will be re-named as *Educational Workshops* and CME accredited at European level using the EACCME accreditation. The *Educational Workshops* (a total of 39 – 1 h each) will be scheduled in the afternoon of each Congress day, from Monday to Wednesday, without any overlap with other congress events.

IFCC Corporate Members will be offered a 20% discount on the official rate. In addition, Companies applying by 30 September 2011 will get an additional 10% exhibition area free of charge.

To take advantage of this opportunity, please contact at your earliest convenience Ms. Patrizia Sirtori, either by phone: +39 392 9285840 or e-mail: patrizia@milan2013.org.

We look forward to hearing from you soon.

Sincerely,

Stefano Montalbetti
Congress Coordinator
EUROMEDLAB Milano 2013
